

{shinylive}: Serverless Shiny apps

-  [posit-dev/r-shinylive](https://github.com/posit-dev/r-shinylive)
- shinylive::export(from_here, to_there) # Docs
- Use GitHub Actions to deploy your app
-  No secrets!

Quarto integration

- Good for smaller apps or apps contained within packages
- Note:
 - Shinylive apps do not naturally integrate within the rest of document
