

Quarto integration

- Good for smaller apps or apps contained within packages
- Note:
 - Shinylive apps do not naturally integrate within the rest of document

Quarto integration

Example

- Chunk engine:

```
```{shinylive-r}
```

```
#| standalone: true
```

```
#| components: [editor,
viewer]
```

```
Shiny app goes code here!
```
```

- Frontmatter filter:

filters:

- quarto-ext/shinylive
