Keep it secret

Keep it secret

⚠️⚠️ ¡ There are no secrets ! ⚠️⚠️

- … If the whole app is in the browser… then users can inspect **everything** within the app

Future

- Minimize required usage of {webr}

- Minimize start time
  - Retrieve Wasm package bundle from GitHub release
  - Utilize Wasm meta-CRAN repositories (library of many Wasm packages)
  - Create custom package bundle on demand via GitHub Actions
